*"It made me feel so good to see the kids smile as they chose their "Back to School" socks and underwear. They started out a little scared, but we helped them feel like it was fun.
- Daniel, 8th grade*

About us...

boys team charity is a 501(c)3 organization that has a national governing board and geographic specific Leagues. Leagues are organized by grade level and have classes for members from the 7th through 12th grade. Each member has both philanthropy requirements and league hour requirements to fulfill on a yearly basis (approximately 20 hours per year).

Philanthropy:

Each League decides which community organizations that they would like to support. Some of the areas currently supported include:

- Homeless Shelters
- Food Banks
- Senior Centers
- Soup Kitchens

League:

Personal growth and development are at the core of the League hour requirements. We have General League Meetings several times per year for which we invite guest speakers to speak on topics of interest to the boys. These speakers have ranged from leaders in the local community to professional athletes. In addition to our General Meetings, we have grade level meetings that provide team building and education in topics such as high school preparedness, college planning, car maintenance, etc.

*The best part of **btc** this year was working with my Dad to fix up bikes for families that didn't have any. We had fun together and the kids were really happy to get a new bike!

Interested in becoming a member?

boys team charity Leagues are formed when a core group of families living in close proximity to each other decide that they are interested in starting a new League.

Each League is led by a Board of Directors and becomes part of the national **boys team charity** non-profit entity. Each individual League determines which philanthropies to support and defines their calendar of events and activities for the year.
